Following the agreement of the House to the principles and architecture of the recent report by the Review Body on Senior Salaries (Cm. 7746, ISBN 9780101774628) on the financial support for Members of the House of Lords, the House Committee appointed an ad hoc group to "consider and consult on issues in the report and to advise on their implementation". This report sets out the group's advice and recommendations to the House Committee. In summary, broadly concurring with the SSRB, specific recommendations include: the introduction of a daily allowance of BJ200; strict arrangements and greater transparency over Members' principal residences and London accommodation; agreement with the SSRB's recommendations on an overnight accommodation allowance; rejection of the need for taxis to be provided for Members for late sittings; that the Independent Parliamentary Standards Authority approach to reimbursement of travel costs to MPS be considered for Members of the House of Lords; implementation of the SSRB's recommendations on publication and regular random checks; and an independent review of the new scheme after one year
